## 1. NEWBORN EXAMINATION SET

| S.N. | Name Of Instrument/ Article | Quantity |
|------|-----------------------------|----------|
| 1.   | Thermometer                 | 1        |
| 2.   | BP set                      | 1        |
| 3.   | Stethoscope                 | 1        |
| 4.   | Measuring tape              | 1        |
| 5.   | Kidney tray                 | 1        |
| 6.   | Gallipot with cotton balls  | 1        |
| 7.   | Clean gloves                | 1        |
| 8.   | Sterile gloves              | 1        |
| 9.   | Cord clamp                  | 1        |
| 10.  | Infantometer                | 1        |

## 2. EYE CARE SET

| S.N. | Name Of Instrument/ Article | Quantity |
|------|-----------------------------|----------|
| 1.   | Artery forceps              | 1        |
| 2.   | Thumb forceps               | 1        |
| 3.   | Kidney tray                 | 1        |
| 4.   | Gallipot with cotton balls  | 1        |
| 5.   | Clean gloves                | 1        |
| 6.   | Normal saline               | 1        |

### 3. CORD CARE SET

| S.N. | Name Of Instrument/ Article | Quantity |
|------|-----------------------------|----------|
| 1.   | Artery forceps              | 1        |
| 2.   | Thumb forceps               | 1        |
| 3.   | Kidney tray                 | 1        |
| 4.   | Gallipot with cotton ball   | 1        |
| 5.   | Clean gloves                | 1        |
| 6.   | Mupirocin ointment          | 1        |
| 7.   | Betadine solution           | 1        |

## 4. RESUSCITATION SET

| S.N. | Name Of Instrument/Article     | Qty    | S.N. | Name Of Instrument/Article                                                                                   | Qty       |
|------|--------------------------------|--------|------|--------------------------------------------------------------------------------------------------------------|-----------|
| 1.   | Et tube 2.5, 3, 3.5, 4.5, 5 mm | 1 each | 11.  | Iv cannula 22, 24, 26 g                                                                                      |           |
| 2.   | Feeding tube 5, 6 fg           | 1 each | 12.  | Easy fix                                                                                                     |           |
| 3.   | Stylet                         | 2      | 13.  | Et tape                                                                                                      |           |
| 4.   | Laryngoscope set               | 1 set  | 14.  | Suction tube 6, 10 fg                                                                                        |           |
| 5.   | Mucus extractor                | 1      | 15.  | Ecg lead                                                                                                     |           |
| 6.   | Laryngeal mask airway          | 1      | 16.  | Ambu bag                                                                                                     |           |
| 7.   | Guedel airway                  | 1      | 17.  | Magill's forceps                                                                                             |           |
| 8.   | Microset                       | 1      | 18.  | Medications (inj. Atropine, adrenaline, Noradrenaline, calcium gluconate, Dobutamine, midazolam, d25, 3% ns) | 1<br>Each |
| 9.   | Oxygen mask                    | 1      |      |                                                                                                              |           |
| 10.  | Syringe 10, 5, 3 cc            | 1 each |      |                                                                                                              |           |

## 5. NG FEEDING

| S.N. | Name Of Instrument/ Article | Quantity |
|------|-----------------------------|----------|
| 1.   | Mackintosh                  | 1        |
| 2.   | NG tube 6, 7, 8 FG          | 1 each   |
| 3.   | NG tape                     | 1        |
| 4.   | Gloves                      | 1 each   |
| 5.   | Syringe 50, 20, 5 cc        | 1        |
| 6.   | Lignocaine jelly            | 1        |

## 6. NEBULIZATION SET

| S.N. | Name Of Instrument/ Article | Quantity |
|------|-----------------------------|----------|
| 1.   | Nebulizer machine           | 1        |
| 2.   | Nebulizer mask set          | 1        |
| 3.   | Gloves                      | 1        |
| 4.   | Medication                  | 1        |
|      |                             |          |
|      |                             |          |

## 7. MEDICATION

| S.N. | Name Of Instrument/ Article     | Quantity |
|------|---------------------------------|----------|
| 1.   | Gloves                          | 1        |
| 2.   | IV cannula – 20G, 22G, 24G, 26G | 1 each   |
| 3.   | Syringes – 10 cc, 5 cc, 3 cc    | 1 each   |
| 4.   | Gallipot with cotton balls      |          |
| 5.   | Spirit swab                     | 1        |
| 6.   | Kidney tray                     | 1        |
| 7.   | NS 500 mL                       | 1        |
| 8.   | Inj. pantoprazole               | 1        |
| 9.   | Inj. ondansetron                | 1        |
| 10.  | Sterile water                   | 2        |

## 8. BABY BATH SET

| S.N. | Name Of Instrument/ Article | Qty | S.N. | Name Of Instrument/ Article | Qty |
